Docket No. 98N-1265 8 '99 MAR 24 A9:55
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I have tried several types of estrogen + testosterone products and have had allergic reactions to 2. The Estrace that I am currently taken relieves my symptoms and makes it possible for me to live normally throughout the month.
